WELCOME

Welcome to the First Annual Bury St Edmunds Spring Beer Festival organised by the Constitutional Club and Martin Bate of the West Suffolk branch of CAMRA, and the third beer festival held at the Constitutional Club.

Our festival features the pick of national breweries with an emphasis on spring ales and is set up with the same layout as the Bury St Edmunds Winter Beer Festival which will be held this year on November 24th to 26th.

The Festival is sponsored by several breweries and helped by a team of volunteers from CAMRA and Constitutional Club committee and club members of which without would not be possible to run, so please give thanks for the help given!

Neil Rayson: Constitutional Club Manager

Paying for beer: We are running a token system of £5 and £10 cards which you can purchase behind our main bar. You may purchase ale in 1/2 pint or pint measures.

Food:

Recyclable plastic tankards may be re-used and taken home as souvenirs. Glassware is to be kept on site at all times.

Please be courteous and respect our neighbours and surrounding area!
